

Car Rental Directory

In the Republic of Ireland the companies listed operate to a Code of Standards drawn up by the Car Rental Council of Ireland. Where members also operate in Northern Ireland their offices are listed below, but for details of age restrictions or sterling CDW limits see the section **Car Rental in Northern Ireland**. Please note that reservations cannot be made through the Car Rental Council of Ireland.

Information on Renting a Car in Ireland

For the best deal, book directly with an approved car rental company

The car rental fleet is regularly updated and the vast majority of cars offered for hire are less than six months old. A comprehensive range of car makes, models and sizes is available including Minibuses, Estates, People Carriers and Space Wagons. Professional valeting, preparation and servicing ensures cars are presented to the highest standards designed to improve your driving experience.

To rent a car in Ireland you will need a valid current driving licence and a credit card. Passports are usually required for ID purposes. Age restrictions apply and if you are under 25yrs of age or over 70 yrs, you will need to check availability. Reserve your car as early as possible

to ensure you get the car you want at a reasonable price. You will be required to sign a rental agreement, so spend some time in advance to select the various insurance and waiver options appropriate to your needs and understand the costs involved. Value added tax will be charged and you should take note of any airport, location, fuel or other charges that you may be required to pay.

Third party insurance is compulsory and will be included in the rental rate. This however only covers you for other people's injury and damage to their vehicle. Rental companies will normally also provide:

- Collision Damage Waiver (CDW), which limits your financial liability for damage to the rented vehicle. Rentals are normally subject to liability excess (purchasing additional cover can offset this excess). Visitors, who wish to claim CDW coverage using a credit card facility (e.g US MasterCard Gold or Platinum), are advised to provide documentary evidence confirming the cover for their trip to Ireland.
- Theft Loss cover, which limits your financial liability for loss or theft of the rented vehicle.
- Personal Accident Insurance, which covers the driver for personal injuries.
